Madison police Saturday charged Donnie Clay Housdan, 18, of 1101 Reynolds street, Madison, with trespassing at two new homes extensively damaged by vandalism last week. Four younger boys were placed under supervision of the police department's youth officer, and others are expected to be apprehended in a continuing investigation.

Housdan, who was released pending a hearing, three Madison youngsters and a Granite City boy gave statements to the police admitting part of the vandalism. Three separate instances, occurring on Nov. 18 and 19 and last Friday, were reported at 1707 and 1705 Elizabeth street, where Steve Kaman, building contractor of 1021 Washington avenue, is constructing residences.

The increase in the Service Occupation tax of 1/2% to bring it to the level of the 3 1/2% Retail Occupation tax just made it by the required bare 39 majority, Sen. Miss Lillian E. Schlagenhauf (R-Quincy) saying it by changing her vote after first voting "No". Next to reappointment, the SOT proposal was the most important item in the governor's program.

\$8 Million Added Revenue
It will produce an additional \$8 million annually to help balance a budget which is short of nearly \$75 million of the amount needed to carry the state government through the biennium ending June 30, 1963. In addition it will help settle a dispute over the question of constitutionality because of the difference between the two taxes, which already has initiated litigation and delay in collecting taxes.

The amended bill to give Cook county 17 more judges was given final Senate passage by a vote of 46 to 2 with the House concurring in the Senate amendment to reduce the number from 18 to 17 to enable names to get on Chicago voting machine ballots, by a vote of 130 to 11. The additional judges are needed to help relieve congested court dockets in Chicago and Cook county.

The revenue study commission measure was okayed by the Senate by a vote of 42 to six with the House concurring in a Senate amendment to reduce the commission members from 37 to 18, cut a \$130,000 appropriation to \$50,000 and includes government economy as a part of the commission study, by a vote of 140 to nine, with one voting present. The added \$50,000 now gives the commission \$70,000 to spend.

Administration spokesmen appeared pleased by the passage of their two major items, the revenue and the SOT tax increase. Defeated in the special session were the governor's proposals to subsidize pupil transportation in Chicago on the Chicago Transit Authority buses; to triple the present state tax on corporation franchises; and to give Chicago additional municipal court judges.

Candlelight Ceremony For Tempel-Harris Wedding

The wedding of Miss Martha Jo Harris and Carl H. Tempel took place at 7:30 o'clock Saturday evening at Niederrhaus Memorial Methodist Church.

The bride is a daughter of Rev. and Mrs. Joseph C. Harris of Green Bay, Wis. Mr. Tempel's parents are Mr. and Mrs. C. H. Tempel, 2625 Benton street.

White chrysanthemums and greenery decorated the sanctuary for the candlelight ceremony performed by the bride's father, assisted by her maternal grandfather, Rev. Frank E. Harris of Lebanon, retired, and Rev. Verne Barnett of Niederrhaus Memorial Church.

Following the arrival of the wedding party Warren Simpkins sang "Love Thee" and during the ceremony the Lord's Prayer. He was accompanied by Mrs. Russell K. West, who played the traditional wedding march and recessional.

The bride wore a white satin gown, the bodice trimmed with tiny pearls at the neckline and on the three-quarter length sleeves. Her veil of silk illusion

was held in place with a crown of pearls and crystals and she carried a bouquet of white chrysanthemums and orchids.

Miss Julia Tempel, a sister of the bridegroom, was maid of honor, serving with two bridesmaids, Miss Betty DeWerrf of Mt. Olive, and Miss Virginia Hutchings of Martinsville, Ill. All wore floor-length gowns of opera green with three-quarter length sleeves and matching veils attached to dainty pearl crowns. They held bouquets of chrysanthemums accented with green.

James Diamond was best man for Mr. Tempel, and Phillip Tempel, the bridegroom's brother, and Thomas Lange were ushers. The guests were seated by Col. Rahour and Paul Devar.

After a brief wedding trip, the newlyweds will reside in Lebanon where the bridegroom is attending McKendree College.

The former, Miss Harris, a graduate of McKendree, is employed as a librarian at Scott Air Force Base.

SIU Suggests Roll Call, Inspection For GC Police Dept.

(This is the 45th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

Continuing its study of the Granite City Police Department, the SIU team suggests that each of the three shifts should start roll call and inspection upon arrival for duty, with the shift officer directing the call.

However, Police Chief Raymond Willard takes exception to this recommendation, pointing out the small number of police assigned to each shift would not warrant roll call and inspection to be a serious matter and a method of recognizing the rank of superiors.

"Observation of the department," they said, "indicates considerable informality and lack of respect for ranking superiors. This informality extends even to contacts with the chief. The ranking officers of the department need not and should not be aloof, but they should demand and receive respect from the members of the department at all times."

"Members of the department should know that an officer is expected when an officer gives an order."

Variety of Uniforms

"The roll call also can be useful for, inspecting the dress and general appearance of the men and to accomplish some brief but useful training. It was observed that there was considerable variety in the uniforms, coats and other gear worn by the men."

"The chief should designate the uniforms to be worn and the uniform-of-the-day and the men should be required to observe it."

"The training at roll call need be no more than one or two questions fired at random. Questions on the rules and regulations, the location of streets or knowledge of important telephone numbers would keep the men on their toes."

"This type of training should be scheduled at which current problems of the department can be discussed informally between the chief and his command officers and division heads."

"Problems will be brought to the floor which all can help solve as a group. Greater communication and cooperation between the top members of the police department will inevitably result."

Accounting Firm Begins Audit of County Records

An independent audit of Madison county records was started last week by C. J. Schlosser and M. J. Schaefer, accountants at the Madison County Board of Supervisors.

The audit was requested by County Auditor John L. Kravak on the basis of a recommendation of Leslie Prehn, finance committee chairman of the Madison County Board of Supervisors. Recalling a similar audit five years ago, Prehn says it has "paid for itself in increased efficiency."

A budget appropriation of \$10,000 was set up for the audit, which will cover a two-year period. It was Aug. 1, 1959, through July 31, 1961. However, the cost will be only \$4,000. The proposal was accepted by the County Board of Supervisors in June.

Two Schlosser employees, Emerson W. Gross and Clarence Henri Lauby, are working on the audit recently completed by County Auditor John L. Kravak on procedure.

The two years to be covered by the report are the last in which the county operated on an August-July fiscal period currently in progress, and a fiscal year based on the calendar year will begin Jan. 1, 1962.

It was hoped that the five-month budget would be the only one which would be drastically reduced. However, continued failure of the county to balance its budget means that the 1962 budget will need to be pared sharply. The square footage of an Illinois Supreme Court ruling limiting counties' general tax rates to the level of a decade ago.

The county board's finance committee members will gather at the county courthouse in Edwardsville to begin drafting the next 12-month budget.

Local Firms Obtain Community Center Plans

Three local contractors are among the firms obtaining plans for construction of four county buildings, one of which will be a community center. The county housing authority will open bids on the Edwardsville project at 2 p.m. Dec. 12 at its office in Madison.

General Contracting Co., Inc. of St. Louis and Co. of Granite City are among seven companies obtaining plans for the new building, which will be used for housing, recreation and other purposes. The site is located on the corner of 12th and Main streets in Edwardsville.

SOCIETY

F. W. Kottmeiers Observing 60th Wedding Anniversary

Celebrating their 60th wedding anniversary today are Mr. and Mrs. Fred W. Kottmeier, 2214 Delmar avenue, who were married in Pekin, Ill., Nov. 27, 1901, by Mrs. Kottmeier's father, the Rev. E. C. Margaret D. D.

The couple observed the anniversary Saturday at a family reception in Arlington Heights, Ill. They have a daughter, Mrs. Herbert C. Froehle of Wilmette, Ill.; two sons, Merrill Fred of Glenview, Ill., and Ernest Charles of Arlington Heights, and seven grandchildren.

The Kottmeiers before leaving for the reception, were given an Authorized King James version of the Holy Bible, bound in black leather and edged with genuine gold leaf, as an anniversary present from the First Granite City National Bank board of directors. He has been a member of the board for over 30 years.

Started Work At 13
Retired after 60 years with the National Enameling & Stamping Co. and its predecessor, the old St. Louis Stamping Co., Kottmeier is the only man in the plant who has served as president of two school boards at the same time. He served 20 years on the Granite City grade school board and was an original member of the Community high school board going on in 1929 and retiring in 1933.

For the two years he was president of both boards, he advocated consolidation of the two districts for economy.

Kottmeier and his wife are life-long members of the Methodist Church. He was president of the church board for many years and in 1924 he was elected by an annual conference to membership in the General Conference of the Methodist Church—supreme law-making body of world Methodism. It is the highest distinction that can be accorded to a layman.

Miss Harriet Boker Becomes Bride Of Robert Glasgow

Miss Harriet Boker, a daughter of A. C. Boker, 2802 Nametok drive, became Mrs. Robert Glasgow Saturday evening in a ceremony taking place at City Temple on State street with Rev. J. R. Randolph officiating at the 7:30 service.

The bride wore a gown of white lace over satin made on princess lines with long pointed sleeves and bows of the fabric marking the waistline in the back. Her finger ring was held in place with a crown of orange blossoms and she carried a bouquet of white gladiolus centered with an orchid. Mr. Boker gave his daughter in marriage.

Arrested For Stabbing Man With Icepick Sunday

Henry Byrd, 49, of 714 Washington street, West Madison, was arrested at his home by Venice police at 7:25 a.m. Sunday on a charge of assault with a deadly weapon, an ice pick, following a stabbing near a North Venice tavern.

New Madison Ave. Surface Will Be Coated Next Year

A smooth surface is being created along the entire length of Madison avenue in Madison this fall, preparatory to finishing touches on the street improvement next spring.

Street car tracks have been removed along with rough pavement in the middle of the thoroughfare, and a new concrete slab has been poured on a base from the city limits near 14th street south to Fifth street. Work was in progress late last week on the section from Fifth to the other city boundary line, located about 60 feet south of Second street.

Efforts are being made to complete this phase of the project this week so that all intersections will be open in the Madison business district for the holiday shopping season.

Most of Curbing Ready

The street is being widened by three feet on each side, with new curbs and sidewalks being constructed in the area between Second and 14th streets. The 12th-to-14th work is planned for either late this fall or early next spring.

Major item on the 1962 agenda is installation of an asphalt surface for the entire width of Madison avenue, with a raised four-foot-wide concrete median strip in the center. The result will be a divided six-lane street consisting of four lanes for traffic and two for parking.

The street carries Illinois Route Three, and the state is bearing 75% of the cost. Illinois Terminal Railroad Co., operator of the former street car system, paid for part of the cost of the track area improvement.

The intersection of 10th street and Madison avenue has not yet been finished, pending completion of installation of stormwater drainage lines connecting Madison avenue with a scheduled major sewer line along Washington avenue.

Miss Irene Nunnally Dies In Philadelphia

Miss Irene Nunnally of Philadelphia, Pa., daughter of Mrs. Grace Nunnally, formerly of Madison, died at a Philadelphia hospital Friday at the age of 55.

Born at Washington, Ind., Miss Nunnally had spent most of her life in Philadelphia, where she was employed 26 years at the North American Loan Co.

Surviving, in addition to her mother, who now plans to return to Madison, are a niece, Mrs. Marian Mink of Granite City, and a cousin, John Lively of Venice.

Miss Nunnally's remains have been returned to Madison for funeral services, arrangements for which are given in an obituary elsewhere in this issue.

MRS. VERNON D. ROBERTSON, the former Lois Spinks, daughter of Mr. and Mrs. James Spinks, 3209 Davis avenue, who was married Saturday evening at First United Presbyterian Church.

Miss Lois Spinks Becomes Bride Of Vernon Robertson

Palms and ferns, together with brass urns filled with white snap dragon and chrysanthemum pom poms, decorated the chancel and sanctuary of First United Presbyterian Church, 22nd street and Delmar avenue, providing the setting for the wedding Saturday evening of Miss Lois Spinks, only daughter of Mr. and Mrs. James L. Spinks, 3208 Davis avenue, and Vernon D. Robertson, whose parents are Mr. and Mrs. Dudley P. Robertson, 1733 Courtenay blvd.

Wedding music was furnished by Mrs. John McCabe Moore, vocalist, who sang "I Love Thee," "With This Ring" and the Lord's Prayer, accompanied by Kenneth MacClatchey, organist. The bride was escorted by her father down the center aisle illuminated with flickering tapers in standard candelabra tied with white satin bows and greenery. Rev. David B. Maxton heard the vows of the couple at 8 o'clock.

For her wedding, the bride wore a gown of white peau de soie designed with a molded bodice of re-embroidered Alencon lace. It had a scalloped neckline lavishly embroidered with pearls and three-quarter length sleeves. The semi-bouffant skirt which fell in a straight front line from the basque waistline swept back in coachman line to a Watteau back drape, ending in a graceful train. A fingertip veil was secured by a crown of tulle, leaves and pearls and the bride carried a French nosegay of white butter roses centered with lilies of the valley.

Two attendants, Mrs. Leon Scroggins, matron of honor, and Mrs. Charles I. Box, bridesmaid, the latter of Altus, Okla., were dressed alike in babybird green peau de soie. Street-length, they

were styled with basque bodices slightly scooped necklines, short sleeves and wrapped, bell-shaped skirts. Matching headpieces of net and peau de soie were secured at the back with green Fuji mums and both held green cent bouquets of green mums and croton leaves.

For her daughter's wedding, Mrs. Spinks wore a beige brocade sheath dress with a short jacket and coffee brown accessories, while the bridegroom's mother appeared in smoke blue lace over taffeta with accessories in a deeper shade of blue. Both wore corsages of white phalaenopsis orchids.

Dave Kirchner was best man for Mr. Robertson, serving with Gilbert Singleton and Dudley C. Robertson and Edward Robertson, brothers of the bridegroom, and James E. Spinks, a brother of the bride, groomsmen and ushers.

Mr. and Mrs. Spinks gave a reception in the downstairs auditorium of the church directly after the ceremony. The bride's table, decorated with greenery, held a three-tiered wedding cake, flanked by two silver candelabra holding tall white tapers and an epergne filled with white snap dragon and pom poms. Assisting were Mrs. James E. Spinks, the bride's sister-in-law, and Mrs. Daniel Robertson.

The newlyweds will motor to the west coast where they will be at home after Dec. 1 at 4088 Ranchero Way, San Jose, Calif.

Both young people graduated from the Granite City high school and attended Southern Illinois University in Carbondale. Mr. Robertson is employed by the Diamond Match Corp. in San Francisco as a retail merchandiser. His bride is a medical secretary at the San Jose Neurological Clinic.

7000 Children Attend

Free Programs Friday

An estimated 7000 children jammed Washington Theatre Friday for morning and afternoon programs featuring free movies and personal appearances by television entertainers Captain 11 and JoJo. The theatre was filled to capacity long before the first movie program started at 10 a.m., and youngsters crowded the lobby and sidewalk outside awaiting the appearance of the TV personalities. Alvin Barnes, executive director of the Associated Retailers & Civic Association, which sponsored the event, said 7000 may be a conservative estimate, as no attempt was made to count the children who arrived during the final 45 minutes of the afternoon program. Barnes said approximately 5000 children visited Santa Claus in his log cabin at the corner of 19th street and Edison avenue on Friday, a count which was verified by the number of boxes of candy handed out to the visitors. The beautiful weather, plus the fact that schools were closed and many workers were off for a long Thanksgiving holiday, drew a large crowd of shoppers to the downtown business section throughout the day Friday, which was hailed as the opening of the Christmas buying season.
